Departmental Narrative

General

- Due to COVID-19, our Department has been modifying procedures, activities, training, and general interaction with the public when possible, while also practicing social distancing ordered by the Governor. This pandemic has impacted every aspect of our operations and will be reflected throughout this report.
- National Public Safety Telecommunicator Week was celebrated by the Department April 12th -18th.
- The Police Department processed 13 Freedom of Information requests this month.

Patrol and Communications

- Child Safety Seat inspections were suspended as of March 13th due to COVID-19. Officers were able to complete their re-certifications online this month.
- Since January 1st, officers conducted 1146 traffic stops and issued 529 traffic citations.
- During April, Dispatch handled 1281 9-1-1 calls and 3957 administrative calls.
- Officers Young assisted neighboring towns with 2 MCAAT calls in April. LZPD personnel were part of a drone team searching for a missing person, and also assisted in motor vehicle crash investigation.

Investigations

- There are a total of 111 active investigations in CID, averaging 28 cases per detective.
- There was one solicitation permit request this month. One ride-along application was received but not processed. One liquor license application is pending at the time of this report.
- Detective Alber responded to one Lake County Major Crime Task Force callout in Zion.
- CID personnel, with the assistance of Lake County MEG Agent Beidelman, conducted tobacco compliance checks at two vape shops in April. One juvenile, one minor, and a store clerk were cited for tobacco related offenses. Two vape shops were also served Cease and Desist Notices for not complying with the Executive Order advising non-essential businesses to close until April 30th.

Computer-Aided Dispatch (CAD) Incidents (Year-to-Date)

Officer initiated activity includes; DUI Arrests, Vehicle Violation Citations, Non-Vehicle Violation Citations, Driving while License Suspended/Revoked, Crime Prevention Notices, Criminal Arrests, Traffic Citations, Traffic Stops, Extra Watches conducted, and Zero Tolerance enforcement. Total incidents are all CAD incidents. Reports are incidents that receive a sequential case number and generally a written report. Beginning in 2019, Frontline data including vacation watches and directed patrols are now listed under officer-initiated activity and are no longer CAD incidents.

Investigative Caseload (Year-to-Date)

Original criminal reports, generally taken by Patrol section personnel, are reviewed by the Investigations Commander and assigned to Investigative personnel based on Solvability Factors.

Crime Rate for Violent Crimes (Year-to-Date)

The Federal Bureau of Investigation requires four different Crimes against Persons offenses be reported for statistical purposes based on identified criteria. This information is provided to the Illinois State Police (Illinois Uniform Crime Report (I-UCR)) and passed through to the FBI. Generally, this information is converted to incidents per 100,000, although the actual numbers are used for this report.

Crime Rate for Property Crimes (Year-to-Date)

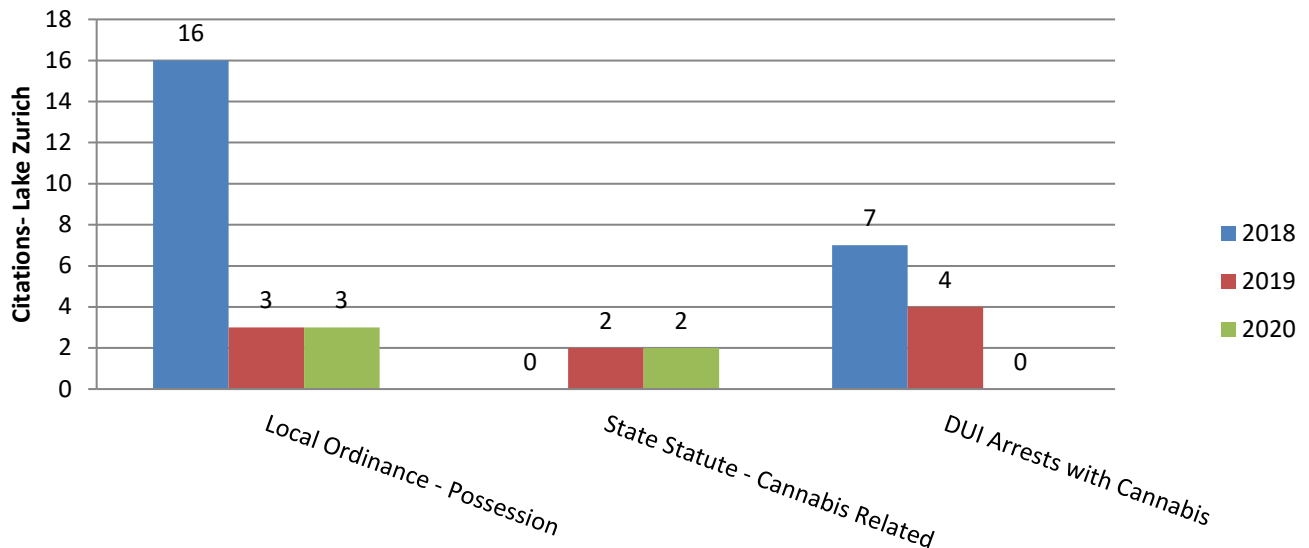

This information is provided to the Federal Bureau of Investigation via the Illinois State Police. These are Crimes against Property and the actual numbers reported are provided. Generally, this information is converted to incidents per 100,000. More information about this can be found at the Illinois State Police website: (<http://www.isp.state.il.us/crime/ucrhome.cfm>). Crime in Illinois provides crime information throughout Illinois.

Drug Crime Arrests (Year-to-Date)

The Department is required to report Drug Crime Arrests to the Illinois State Police. The violations reported are related to the Cannabis Control Act, Controlled Substances Act, Hypodermic Syringe Act, Drug Paraphrenalia Act, and the Methamphetamine Act.

Cannabis Citations (Year-to-Date)

Illinois passed new cannabis rules and regulations that went into effect on January 1, 2020. Information was gathered from previous years to compare what effect the new laws have made on cannabis citations. These citations include local ordinance cannabis possession citations, state statute cannabis related citations (includes possession, delivery, paraphernalia, and DUI), and DUI arrests with cannabis as the primary or contributing factor.

Criminal and Traffic Offenses (Year-to-Date)

Information depicted in this graph relates to Driving Under the Influence of Alcohol/Drug arrests, Driving while Driver's License Suspended/Revoked arrests, various criminal arrests (Domestic Battery, Retail Theft, Drug Offenses, etc.), and traffic stops conducted by Department personnel.

Monthly Training Time (in Hours)

Training is an important element to maintain or improve skills/knowledge/ability. Most outside and in-house training (other than on-line training) was cancelled due to COVID-19.

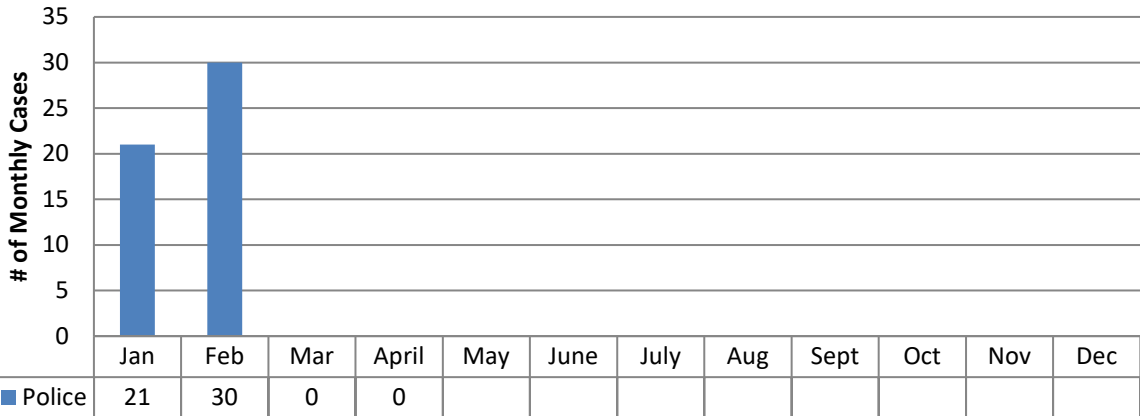

Alarm Occurences (Year-to-Date)

	2018	2019	2020
Commercial	128	132	127
Residential	53	54	30

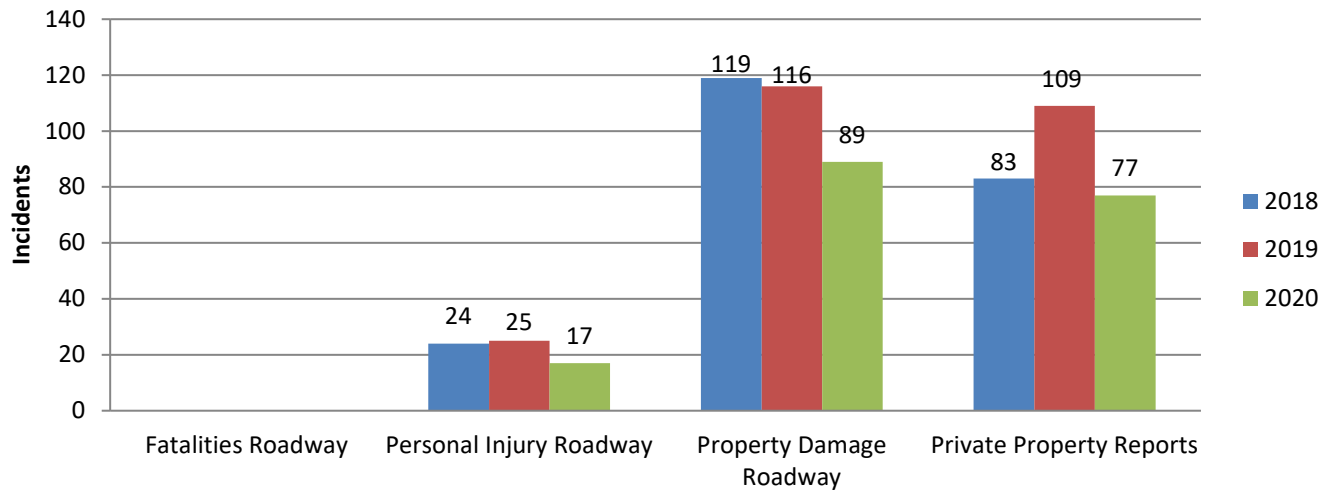

The Crime Prevention/Community Relations function monitors the number of alarms to which Patrol personnel respond – many of the alarms are false.

Administrative Adjudication Caseload 2020

The Administrative Adjudication process was originally put in place to address automated traffic enforcement citations. This program has been expanded to review vehicle equipment compliance citations, administrative tows, and parking citations. The March and April adjudication dates were postponed due to the COVID-19 pandemic.

Vehicle Crash Incidents (Year-to-Date)

The Department conducts traffic crash investigations on both public roadways and private property (primarily parking lots). The traffic crashes are broken down into four categories: fatal, personal injury, property damage, and private property. Routine traffic crashes are taken by Patrol personnel. Traffic Safety personnel investigate fatal, serious personal injury, and commercial motor vehicles.
